FLRM Application for Spouse: Meenakshi Yadav; Dec 29,1988; India (Passport: M2872689)

Dear Sir/Ma'am,

It's regarding FLRM visa extension application (UAN 1212-0001-1397-5087/00) that my wife Meenakshi Yadav has submitted. I wish to provide a cover letter on top of that please.

I am a British Citizen (Passport: 524722058) and my wife (Passport: M2872689) is an Indian citizen with spouse visa. Both of us are well settled in UK, got our own house and we are expecting a baby as well in Sept 2021. We got married on 24/11/2016 and she joined me in UK on 04/05/2018 as I was working as an IT Consultant at that time as part of my own Private Limited company. So, had to complete full financial year to have CTR (Company Tax Return) before applying for her spouse visa.

Currently I have been working as a full-time permanent employee of Vanguard Asset Services Limited since 06 April 2020 with base salary of £105,000 per annum and we are staying together at our own house 163 Plymouth Road, Chafford hundred, RM16 6BL.

She has provided all the necessary information and documents with her application. But please let me know for anything else needed as well.
